to the Principal of the Central & the Maharaja's College.

With refce to the Dewans query regarding the position if Sri Lakshmi narasappa were to revert to the D.S.&C, a precedent is probably to be found in the treatment accorded to Sri S.A. Ramaswamiyer on his reversion. He was given his grade pay as Executive Engineer, and posted to an Executive Engineer's charge.

In regard to the query in the minute dated the 16th Feb, it is submitted that the whole question relating to Sri Lakshmi narasappa was settled in Council, and that the papers came to me after His Highness' sanction had been obtained, when it was not open to me to consult the University. I would however respectfully add that since the conditions of this appointment were broadly similar to those of the previous one, and no deviation in principle was involved, it was probably unnecessary to consult the University.
